About

This website wants to list the existing WHITE RIBBON Campaigns in Europe and to encourage the founding of new campaigns in European countries where they currently do not exist.

To read more about the White Ribbon Campaign - a men's initiative to end violence against women - please visit www.whiteribbon.com.

What we can offer you as a "new" campaign is:

- Using a **sub-domain of this website for free** to publish a contact address of the national campaign in your country - for example: www.whiteribbon.eu/austria for the Austrian White Ribbon Campaign.
- In addition you can use a **second sub-domain** for your country's campaign **in your language** - for example: www.whiteribbon.eu/oesterreich for the German version of the Austrian WRC's listing on this website.

We will publish sub-pages for every European state soon - if the one of your country is empty, you are encouraged to start a new WRC there.
